CORE MOVES

DEVELOP YOUR ROUTINE

CHAIR MOVES

CORE MOVES is the originator of the exotic dance phenomenon. Released in 2001, this video continues to sell briskly worldwide. Learn the secrets that exotic dancers have used for years. Master walking and eye contact. Learn four types of hip rolls, floorwork, visualization and the Strip-tease. DVD has all of the great features of the original video listed plus a professional exotic dance demo, brand new behind the scenes footage, interviews with the Director and Producers, profiles of the students in the video, a behind the scenes music video and a playlist music selection feature.

DEVELOP YOUR ROUTINE is in stock and available for shipping. Warm up and review the "Core Moves" from the first video, then learn the key transitional moves that enables the viewer to create their own routine and unique style. See and experience the transformation of a beginner student as she develops "her own routine" right before your eyes. Meet ACEED instructors Coralissa and Molly as they share their private dances and tips to help the home viewer.

Chair Moves is in stock and available for shipping. Warm up and review the "Core Moves" from the first video as Author Leah Stauffer and Master Level Instructor Coralissa Gines are the hosts of this instructional DVD that teaches "Everyday Women" Chair Moves and provides you with the secrets of how to pull off a sexy chair dance with or without a partner present. The 3rd in the series. One of a kind.
