The **Third** in the Series allows women to learn how to use an ordinary chair in ways that you could only imagine. Women may never sit the same way again!

"The message: Each woman's body is as individual as her thumbprint. You can tap into your deep and powerful erotic nature - and do so safely - whether you're making eyes at your partner or simply strolling along the beach."

- Dr. Gina Ogden, Ph.D.
Marriage and Family Therapist/Author

CHAIR MOVES

Learn how to spice up your dance by incorporating the 'Core Moves' with a chair. You will follow along with the women and learn how each move is utilized using one chair.

Next, you'll learn to incorporate Walking, four Hip Rolls and your Floorwork routine utilizing two chairs, along with a few new tricks!

Solo Dances by each of the three women featured in the video will assist you in learning variations on how to incorporate moves in different ways.

Finally, watch a Chair Dance Demo using a Live Partner and see how it all comes together. An opportunity to utilize all of the moves that you learned! Rated 'G'

Chair Moves is in stock and available for shipping. Warm up and review the "Core Moves" from the first video as Author Leah Stauffer and Master Level Instructor Coralissa Gines are the hosts of this instructional DVD that teaches "Everyday Women" Chair Moves and provides you with the secrets of how to pull off a sexy chair dance with or without a partner present. The 3rd in the series. One of a kind!
